*Assistant Principal*

**Linda Beverage**  
*Guidance Counselor*

I am excited to start the next phase of my journey at Pocahontas County High School as a principal. I had the opportunity to start my profession in Pocahontas County as an Agricultural teacher and FFA advisor. I also had an opportunity to start my administrative career as a vice principal at PCHS and then principal at Marlinton Middle School. Pocahontas County has many opportunities to offer individuals in the education field if they are willing to take advantage of them.

I am enjoying learning PCHS from a new perspective as a principal. Many things have changed in the nine years I have been gone, but one thing has stayed the same.....the teachers still care about students and our school. I hope to foster an environment where students will find success. Thanks for making PCHS a great place to be. I am truly *Expecting the Best!!*

## Proudly supporting PCHS Warriors!!

**Carlie Irvine** - In 10 years, I see myself living out side of a city with my husband and two kids. I'll have a job in my major, and I'll be making enough money to live comfortably and happy.

**Travis Arbogast** - I see myself becoming a game warden in the next 10 years and maybe married to my amazing girlfriend with 2 or 3 kids. Also, I hope to have the vehicle of my dreams.

**Makayla Dean** - In ten years, I see myself working at a doctor's office, and plan to have a house and a few children. I don't really know what could happen until then, so I'm just going to live it up.

**Connor Pyles** - I see myself being a nurse and having a house of my own. I plan on having a child or two and maybe a wife. I hope she is pretty.

EXPECT  
THE BEST

Linda DeWage  
Vice Principal

Linda DeWage  
Vice Principal

I am excited to start the next phase of my journey at Pocahontas County High School as a principal. I had the opportunity to start my profession in Pocahontas County as an Agricultural teacher and FFA advisor. I also had an opportunity to start my administrative career as a vice principal at PCHS and then principal at Marlinton Middle School. Pocahontas County has many opportunities to offer individuals in the education field if they are willing to take advantage of them.

I am enjoying learning PCHS from a new perspective as a principal. Many things have changed in the nine years I have been gone, but one thing has stayed the same.....the teachers still care about students and our school. I hope to foster an environment where students will find success. Thanks for making PCHS a great place to be. I am truly *Expecting the Best!!*

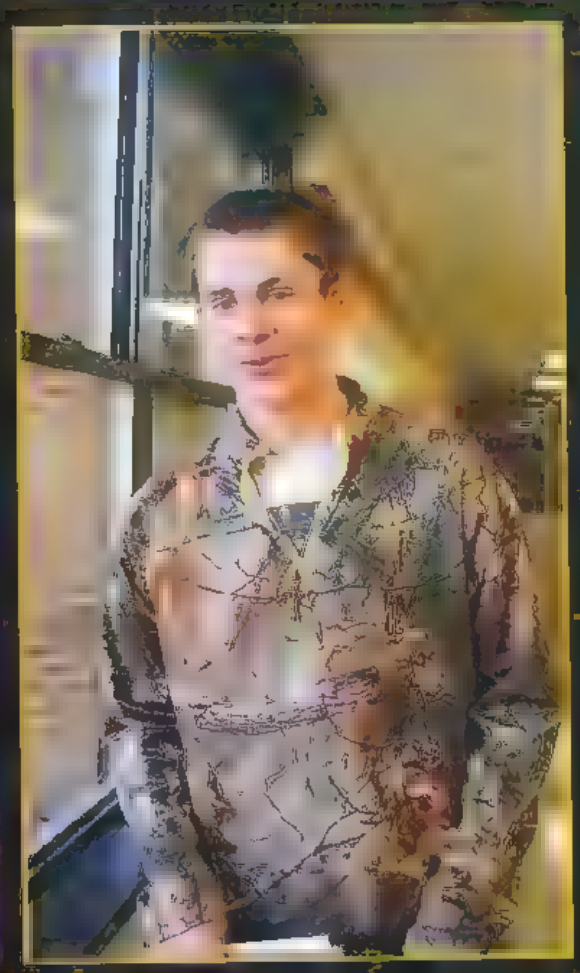

*Joseph W. Riley, Principal*

you are braver than you believe.  
Stronger than you seem, smarter than  
you think, and loved more than you

definitely worth the hassle.  
Congratulations, sweetie.  
We love you,
